Our Founder

Shri Navalmal Kundanmal Firodia, a freedom fighter, industrialist, and philanthropist was a visionary ahead of his time. Holding degrees in Science and Law, he combined intellect with ethics, shaping his approach to business and social responsibility. He actively participated in Mahatma Gandhi's Non-Cooperation and Quit India movements. Foreseeing India's impending independence, he chose to leave his legal career to establish Jaya Hind Industries in 1948.

He envisioned a motorized rickshaw to replace the traditional bicycle rickshaw and coined the term autorickshaw for this revolutionary innovation. In 1948, he also introduced the three-wheeler Tempo, which became synonymous with light commercial vehicles in India. Founded in 1958, Force Motors continues to carry forward Shri N.K. Firodia's pioneering legacy and vision that transformed urban mobility in India.

Impactful Initiatives

Project DigiForce

Force Motors has launched **Project DigiForce**, a ₹150 crore digital transformation initiative to build a tech-driven, future-ready enterprise. This two-year, organisation-wide program focuses on digitizing both customer-facing and core operations to enhance agility, efficiency, and overall stakeholder experience.

STRATEGIC FOCUS

- Digitization of Sales, Service, Marketing, and Dealer Operations
- Seamless integration across 200+ dealerships, 70 service centers, and global distributor network
- Transition to AI/ ML- Powered, cloud- based SaaS platforms for scalability and real – time decision making

CORE DEPLOYMENTS

- Next – gen CRM – DMS
- HRMS, Telematics, Cybersecurity and RFQ – KAM system
- Digital Control Tower for enterprise – wide visibility
- DigiForce Capability Training Programs

KEY TECHNOLOGY PARTNERS

Project Lakshya

Human Resource Transformation
Program For A Future Ready
Organization

Force Motors launched Project Lakshya, a strategic HR transformation initiative designed to create a digitally empowered, agile, and leadership-driven organisation aligned with its long-term growth vision.

- **Learning and Development:** Company-wide training and engagement initiatives to enhance functional excellence.
- **Employee Engagement:** Driving inclusion, ownership, and alignment with organisational goals.
- **Digital Capability Building:** Preparing a future-ready digital workforce through the DigiForce Digital Capability Training Programme.
- **Culture Shift:** Embedding a values-based culture anchored in agility, accountability, and innovation.

To strengthen its leadership pipeline, Force Motors partnered with SP Jain School of Global Management to launch Executive and Advanced Leadership Programmes for high-potential employees.

Sustainability remains central to Force Motors' growth strategy. In 2025–26, the Company made notable progress across key ESG priorities

- **Sustainable Inputs:** 43.5% ESG-screened suppliers
- **Emissions Avoided:** 2.5x improvement over 2024–25
10x improvement since FY 2023–24
- **GHG Emissions:** 38% reduction in intensity (Target: 50% by 2030)
- **Zero Waste to Landfill:** 85% waste diverted
- **Renewable Energy:** 31% electricity from renewables (Target: 50% by 2027)
- **Water Efficiency:** 10% reduction in water use per equivalent vehicle
- **Employee Training:** 22 hours per employee (Target: 32 by 2030)
- **Women Workforce:** 9% representation (up from 3% in FY 2023–24)

School Bus

Old Age Home

Firodia Hostel

Traveller Ambulance

Trax Ambulance

Stray Animals Shelter

Force Motors strengthens education through school bus donations

Empowering access and connectivity — Force Motors donates Traveller

Super-specialty Cardiac Hospital

Cancer Hospital

Enabling Access through Mobility

Force Motors enhances healthcare and education infrastructure by providing ambulances to hospitals and buses to schools, ensuring greater access and connectivity.

Supporting Education

We actively fund and support educational institutions to promote learning opportunities and empower future generations

Restoring Natural Ecosystems

Through waterbody rejuvenation projects, we help revive natural resources, improve rural livelihoods, and sustain local biodiversity.
